Ad hoc Strategic Plan Implementation and Development Committee (Advisory)

Membership:

4 faculty members/librarians (one of whom will be Chair)  
1 administrative staff member  
1 student from each program level  
Dean (ex officio)  
Manager, Strategic Planning  
1 alumnus/alumna

Mandate:

1. To ensure that the ideals of the plan are translated into deliverable objectives and to advise the administration on their implementation.
2. To recommend priorities for the implementation of individual elements of the strategic plan and to advise the Faculty administration on those priorities.
3. To advise the Faculty administration on budgetary alignment/realignment as necessary to achieve elements of the strategic plan.
4. To provide oversight of the implementation of the plan as it moves forward.
5. To recommend metrics of success in plan implementation, and to monitor performance against key performance indicators on a regular basis.
6. To renew/update the plan annually, subject to approval, in order to adjust to changing circumstances and environments.
7. To report regularly to Council on the status of the implementation.
