Masters' Recruitment and Admissions Committee

A) The Masters' Recruitment and Admissions Committee shall consist of: at least four full-time regular members of the Teaching Staff holding professorial rank; the Director of Student Services (or designate); and a student from each of the master’s degree programs.

B) It shall be the responsibility of the Master's Recruitment and Admissions Committee to:

1. Help define and implement a recruitment strategy for the Faculty at Master's level;

2. Support initiatives to recruit master’s students as required;

3. Establish admissions policies and procedures;

4. Review and make recommendations to Council in regard to entrance requirements;

5. Ensure that the qualifications of applicants seeking admission are appropriately assessed and reviewed;

6. Ensure that appropriately qualified students are admitted and offered advanced standing;

7. Approve highly qualified candidates for admission awards; and

C) Meetings of the Committee when reviewing files are closed; however, meetings or portions of meetings dedicated to recruitment efforts are open.
