In addition to ongoing committee roles and monthly meetings, the MSGSA would like to report the following updates:

**MSGSA Survey**
- The survey was compiled, summarized, and shared with Costis Dallas.
- Students expressed a strong interest in an accessible alumni network and job shadowing opportunities.
- The council is using the survey to help make decisions about the MSGSA's time and resources. Example: Several students suggested extra-curricular tours which would be similar to those organized by the ACA, but for museums. The MSGSA moved forward by organizing two for this term.

- Open Mics (in partnership with MISC)

**Financial Support for Student Conference**
- The MSGSA contributed $170 to the student conference.

**MUSSA**
- After a student vote, MUSSA (Museum Studies Student Association), was chosen as the MSGSA's new name.
- This name will not be official until after the AGM next year, but the council is beginning to introduce the name.

**Social Media and Merchandise**

- Musings, the student blog, is ongoing.
