Faculty of Information  
Programs Committee  
Report to Faculty Council  
Nov 30, 2012

The Programs Committee is submitting the following proposals to Faculty Council for approval at its November 30th meeting.

1. Knowledge Media Design new concentration proposal  
2. Culture and Technology new concentration proposal  
3. Transitioning paths to concentrations proposal  
4. Consolidated SGS calendar entry showing changes to the program in light of these proposals  
5. KMD Capstone Project new course proposal and its syllabus.

For the information of Council, the Programs Committee is putting in place a process for instructors to articulate in their course syllabi course objectives, course learning outcomes, and the relationship between course learning outcomes and MI program-level learning outcomes.
