The Dean also encouraged faculty to review the UofT Policy and Procedures Governing Promotions and the Memorandum of Agreement between the University and the University of Toronto Faculty Association, both of which are available on the Governing Council website. The Dean asked mentors of untenured faculty to offer guidance on the tenure process to their mentees, and to review with mentees the eloquent guidance on the tenure process available on the Office of Vice-Provost, Faculty and Academic Life (http://www.faculty.utoronto.ca/academic-life/tenure/) website if they had not done so already. The Dean went on to encourage untenured faculty to take part in guidance sessions run by the Centre for Teaching Support & Innovation (CTSI), University of Toronto Faculty Association (UTFA) and the Office of the Vice-Provost Faculty and Academic Life.
- The Dean also reminded Associate Professors to supplement their review of the policies on promotion by turning to guidance on the Office of the Vice-Provost Faculty and Academic Life website (http://www.faculty.utoronto.ca/academic-life/full-professor/) and attending events about promotion organized by the Office of the Vice-Provost Faculty and Academic Life and UTFA.
