Report of the “New Partnerships with the Central Library” Work Group
For Presentation to Faculty Council on March 20, 2015

Recommenmdations Arising from the Work Group:

1. Keep the collections, including course reserves, within the Bissell Building

2. Keep all Inforum staff and services within the Inforum

3. Move to the University of Toronto Libraries’ model by setting up an approval plan with YBP

4. Build labs on the 5th Floor of the Inforum;
   • Information Services Committee to develop the criteria for the labs on the 5th floor

5. Renovate the 4th floor of the Inforum to increase collaborative areas and independent study space, as well as incorporate office/cubical space for staff
   • Last year’s Inforum renovation group, consisting on Glenn Cumming, Glen Menzies, and Information Services staff will be reconstituted
